Dear Parent/Carer

On the morning of Friday 16th October, Leicester-born author Bali Rai will be visiting us to open our new reading corner in the library.

As part of the visit, Bali will be leading two creative writing workshops: one for Year 7 students and one for students in Year 10. This is a fantastic opportunity for our students to work with an award-winning author on developing their own narrative voice. Students will also be able to purchase signed copies of Bali's novels.

We have only a limited number of spaces available for each of the workshops and so will be allocating them on a first come, first served basis. If your son/daughter would like to take part, please complete the reply slip below and ask them to return it to the English staff room as soon as possible.

If you have any questions, please don't hesitate to get in touch.

Yours faithfully
